Matthew Kyle

To: Matthew Kyle

Now that the holiday excitement is past, we would like to extend out thanks to you for your generous efforts on behalf of the children and families of Somerset County.

The Department Of Children and Families is deeply involved with many individuals, families and other agencies in the County throughout the year. Our role is to bring badly needed services to the people we assist. These families struggle daily with problems such as addiction, mental illness, homelessness and unemployment in addition to child abuse and neglect. With your assistance, the Division and our caseworkers this past holiday season were able to provide children and parents with gifts and necessary items to help make the season merry. The care that went into the selection of each gift was wonderful and clearly reflected the best spirit of community giving.

We would especially like to thank the contact persons who so diligently organized, collected and delivered the gifts to the Division. Without your commitment and generosity, this endeavor would not succeed.

The holidays afford us an opportunity for direct, tangible giving. On behalf of those we serve, we would like to thank you again and wish you a peaceful, healthy and Happy New Year.

Sincerely,

Karin Erickson
