Compensation for State Corrections Officers

CHAPTER 93

AN ACT concerning injured law enforcement officers and certain other employees and supplementing Title 34 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:15-37.1  Payment of full compensation to certain injured officers.  1. Any State corrections officer, juvenile corrections officer, or juvenile detention officer who, in the course of performing the officer’s official duties, suffers serious bodily injury as the direct result of an assault by the inmates or detainees under the officer’s custody or charge shall continue to receive full wages for up to six months or until the officer begins receiving compensation for that injury under R.S.34:15-1 et seq., whichever comes first. In addition to the compensation received under R.S.34:15-1 et seq., the injured officer shall receive regular supplemental payments from the officer’s employer in an amount that is sufficient, when added to the compensation received under R.S.34:15-1 et seq., to equal the net wage of the injured officer at the time of the injury. The supplemental payments authorized under this section shall continue for up to six months so long as the injured officer remains a State corrections officer, juvenile corrections officer, or juvenile detention officer and continues to be compensated under R.S.34:15-1 et seq. The fringe benefits afforded an injured officer under the terms of a collective bargaining agreement, contract, or statute shall not be negated or impaired in any way and shall remain in full force and effect during the time that officer is receiving supplemental payments pursuant to this section.
